Dear Ranjit

Many thanks for the very successful two days at the National Media Museum the students had a really good two days. The highlight of which was the presentation of the award from a film star.

We will definitely be interested in attending the festival again next year and look forward to making our epic film. In regards to the festival taking place in June next year it would be difficult for us as we will be in the middle of the GCSE exams so earlier in May would be better if not in April.

Many thanks again for such a successful premiere awards and festival I look forward to the second festival next year.

Yours sincerely

A handwritten signature in blue ink that reads "P. Kidd".

Mr P Kidd (Manager for the Deaf and Hearing Impaired)
