Dear Ranjit,

Yorkshire Sign Film Festival.

I would like to say how much we enjoyed our day at the festival, and what a valuable experience it was for our hearing impaired pupils. It was an excellent opportunity for them to see what deaf children can achieve, and, having seen the films that children from other schools had produced, our pupils came back to Newsome full of enthusiasm for making their own film next year.

Our pupils also appreciated the opportunity to expand their horizons, by meeting and making friends with deaf and hearing impaired children from other parts of the country.

I sincerely hope that this year's festival will be the first of many. Thank you for your hard work and commitment in putting it together, and good luck with the funding for next year.

Yours sincerely,

Mollie Sumner

Mrs. M. Sumner. (Teacher of the Deaf)
